Mahalo for your interest in Suite Paradise!

Persons attending the HICSS conference should confirm reservations or inquire about particular accommodations, by contacting Malia Beniamina, Suite Paradise Office Manager, 800/367-8020 ext 7 or via email mail@suite-paradise.com. Please use the HICSS special conference code to make your reservation. (You will have received that code with your conference registration confirmation, or you may call the HICSS Conference Office.)

Rooms are available from early December 2005 through to the end of January 2006. The rates below are for the nights of December 18, 2005 to January 3, 2006. **Should guests book nights prior to December 18, 2005 or later than January 1, 2006 the per night rates will be less due to a change in season, and minimum night requirements do not apply.** For example, arrival for the night of Jan 2 requires only a 2-night minimum. Nightly rates will be adjusted according to the nights confirmed.
